

Waitawheta Gorge

Kaimai ranges

Pictures taken from Bridge by Waitawheta Hut. (approx 7.5km from the Waitawheta Rd end, 3hrs)

“From the track looks to be somewhere in the 1500m-2000m long below the bridge (but the view isn't too clear from the track). Seems to vary from 10-15m deep. The track crosses the river, which would be the exit point. Track crossing (I think) is about $37^{\circ}31'7.56''\text{S}$, $175^{\circ}47'48.82''\text{E}$ Photos were taken at $37^{\circ}31'32.54''\text{S}$, $175^{\circ}48'26.78''\text{E}$ as near as I can figure. Would be worth a look upstream too” From Rowan Peck

Probably a swim/float/jump trip, Looks very promising!
